

Signature Treatments

The heart and soul of our spa. Carefully designed to envelop you in pure relaxation, using our incredibly natural product ranges. Feel tension slip away and your body and mind revitalised.

DR. HAUSCHKA FACIAL

120m R2300

Treat your feet, arms and legs to a relaxing treatment with fragrant essential oils, followed by a facial with the natural, certified Dr. Hauschka range of products. Cleansing, clarifying masks, activating ampoules and regenerating intensive care products are a great addition to the lymph stimulation with fine brushes and hands.

SENSES

75m R1350

Awaken your senses with this relaxing and refreshing experience. Enjoy a head, foot and exfoliating body massage, with the stimulation and release of pressure points. A light snack with an anti-oxidant fresh juice is included in your Senses Treatment.

DÉCOLLETÉ, NECK, FACE & SCALP MASSAGE

45m R950

By relaxing the muscles of the neck, face and head, facial and décolleté massage is an effective tool to relief the tension, improve general mood, soothe and reduce tiredness as well as relieve headache. It can help you keep your skin firm and resilient and prevent or delay the aging of your skin.

Facials

DR. HAUSCHKA 90m R1750 / 60m R1310

A facial with the natural, certified Dr. Hauschka range of products. Cleansing, clarifying masks, activating ampoules and regenerating intensive care products are a great addition to the lymph stimulation with fine brushes and hands.

DR. HAUSCHKA ANTI-AGEING

120m R2500 / 90m R1950 / 60m R1510

Skin ageing is a completely natural process. And it can't be stopped. But a care product that supports the skin's natural activities can slow it down. Be ready to take on the day with the Dr. Hauschka Regenerating Skin Care series that gives mature, demanding skin the support it needs for more vitality. It can prevent against premature wrinkle formation for example, and your skin gets new stimulation. The end result is a radiant and nourished complexion, that is as individual as you.

DR. HAUSCHKA BACK 60m R2510

Back facials involve a process of steaming, cleansing, exfoliating, and moisturizing the skin on the back, in addition to applying a mask. This back facial includes an extraction process to clear out blocked pores and reduce the severity of any present back acne.

NAUTILUS PERFECT CANVAS DUO

90m R1700

Experience improved appearance and firmness of the skin, increased hydration and moisture levels, a progressing lifting effect, promotion of healthy cell renewal, and protection against environmental skin damage with the combination of active biotechnology, vitamins, minerals, essential oils, and marine algae with the advanced benefits of cupping and Guasha stone massage. Providing an overall improvement in the structure and functional recovery of the skin. Our goal is to create the perfect canvas.

NAUTILUS ATLANTIC HYDRATION CUPPING 75m R1300

This targeted facial prevents aging and encourages optimum cellular function for nourished, younger-looking skin combining cupping and hands-on massage techniques leaving your skin hydrated, radiant and plump, stimulating the production of collagen and elastin for age-defying benefits.

NAUTILUS CRYSTAL QUARTS

GUASHA 75m R1300

Defy the hands of time with this hands-on facial adding the benefits of a Guasha to contour, sculpt, and improve the appearance of fine lines and wrinkles. The treatment will leave your skin with a youthful radiance and natural glow whilst lifting and firming the skin.

NAUTILUS SKIN INTELLIGENCE

60m R1250

Defy the hands of time with this hands-on facial that addresses the skin's aging mechanisms on a cellular level, and automatically see results on a clinical level. Anti-wrinkle, radiance and age-defying benefits. Our goal is to create the perfect canvas and repair the sails.

MEDIHEEL 15m R450

This is an intense pedicure treatment used to hydrate the feet. Anti-fungal and anti-bacterial ingredients sanitize and soften the feet gently, while a Eucalyptus and Rosemary infusion helps to boost circulation.

PARAFFIN WAX 15m R300

The wax helps to moisturise and soften the skin while providing a therapeutic and healing effect for sore and aching joints. Increased tolerance to pain and muscle relaxation can also make it particularly beneficial for those suffering from arthritis and rheumatic pain.

Paraffin Wax heat therapy increases blood flow, sweat and sebum production thus allowing beneficial nutrients to be drawn to the skins cells that rejuvenate the skin.

FOOT MASSAGE 45m R950

Foot massage improves circulation, stimulates muscles, reduces tension, and often eases pain.
